

**Remarks/Argument**

In an effort to expedite prosecution, but without acquiescing to the Examiner's rejection<sup>1</sup>, claims 11 and 12 have been cancelled herein, thus rendering moot the rejection under 35 U.S.C. ¶103. Dependent claim 13 has been amended into independent form by incorporating the subject matter of cancelled claims 11 and 12.

No other issues remaining, early allowance of the present application having pending claims 1-10 and 13-22 is requested.

Respectfully submitted,

VOLENTINE FRANCOS & WHITT, PLLC

Adam C. Volentine

<sup>1</sup> For at least the reasons already of record, Applicants submit it to be manifest that one of ordinary skill in the art would not (and probably could not) combine the teachings Dodds and Workman in the manner suggested by the Examiner.
